

2018 SPONSORSHIP FORM

Dear Neighbor,

The Steel City Heat is a travel softball association that cooperates with the existing athletic associations within the Greater Pittsburgh area. Our goal is to cultivate our youth on an athletic and personal level. Founded in 2007, the Steel City Heat will be providing several young ladies an opportunity to play competitive fast pitch softball. They will participate in the competitive environment of NSA (National Softball Association), ASA (American Softball Association), and USSSA (United States Specialty Sports Association) sanctioned tournaments. Each team will compete in several southwestern PA tournaments, as well as potential out-of-state tournaments during the 2018 season.

How can you support and help? In providing a sponsorship, you will be assisting a player with their fees and assisting the organization in providing player equipment, practice facilities, and field time. When you provide a sponsorship, you will promote your business. A sponsorship of \$250 or more will put your name/logo on our team banner. Even a sponsorship of \$100 will list your name on the banner. These banners are displayed by all teams at all events. Each tournament is attended by hundreds of individuals and vendors. Sponsorships are available in following formats:
